TEL: (770)830-0369 · E Mail: support@ICEA.NET FAX 770-830-8501

APPLICATION FOR MEMBERSHIP

Membership in any of the ICEA sections shall be confined to individuals who have a college degree or the equivalent developed from at least four years of technical training. The applicant must be employed in a technical capacity with the manufacturer of the cable product which is an ICEA sponsor. The applicant is expected, by virtue of technical training and experience, to contribute to the purpose and activities of the section for which application has been made. Members shall not be involved in activities such as pricing, negotiating and/or closing of sales for any cable products.
